Kevin Topiya

Full-Stack Developer

Rajkot, India

Phone: +91-6356893665
Email: kevin53846.914@gmail.com
LinkedIn: https://www.linkedin.com/in/kevin-topiya

A highly motivated and Versatile Full-Stack Developer with expertise in Full-Stack development, Android application development, and software engineering. Skilled in creating responsive, user-centric web applications using modern frameworks and technologies. Adept at both front-end and back-end development, with a strong focus on delivering efficient, high-quality code.

The opportunity to learn new skills and work with new technologies is particularly attractive to me.

—
